

## *Tree Donation*

The gift of a shrub or tree planted today can last for generations, providing beauty, wildlife habitat and environmental benefit.

Your tax deductible donation of just \$15.00 can be used toward purchase of a young tree to be planted in a Stillwater Township Park .

Sometimes storms, disease or other problems can destroy a tree. You can be a part of restoring a tree for enjoyment by all. It can be a positive step for the environment and an example for others.

It is an excellent way to honor someone close to you or to remember a special occasion such as the birth of a child, a graduation, wedding, anniversary, or some special achievement. It is an easy way to give lasting recognition to someone.

## *Friends of Stillwater Township Parks*
